### MIKE'S-SPACE

If you've been listening, you know that I have outlined a particular vision for First Baptist Hodgenville. We are introducing people to Christ, learning more about Christ, and becoming more like Christ. Now there's nothing complex about this vision, we're just talking about the basic work of the church. And if you'll think about the content of this vision, you'll easily see that it should lead to steady growth for the church.

I desire to lead the church with growth in mind. In that regard I hope it makes sense to you that we have just approved a new full-time ministry position for education and children. This new minister will be responsible mainly for children's ministry, Sunday School, and discipleship. With as many as 400-450 different people attending church services here in any given month, we already have a need for this new minister to help maintain the membership that we have. And if we intend to reach new people, then we have to be prepared to increase our ministry capability. I believe this new ministry position is a step in the right direction. I hope that you will be in prayer for the Education/Children's Search Committee as they help us search for this new minister.

Yours in Christ,  
Bro. Mike

## Notes from Greg

As I write this (on Friday) I am excited that we in the Music Ministry are making what I consider a large step forward this coming Sunday as the **Praise Team** and the **Worship Choir** team up to perform the anthem of the day—"Your Grace is Enough." I trust that as you read this we were successful in presenting the song and more importantly the message of the song—that God's grace is sufficient to meet all of our needs.

The **Orchestra** will be playing this coming Sunday—"Great is the Lord." They will be playing through June; however, this will be the last "special" before the **Orchestra** takes a break in July.

I've set a goal for the **Orchestra** of preparing and performing either a prelude or an offertory once a month throughout the year with the exception of July.

Keep in mind that we will be looking for several people who are willing to present their talents to the Lord by playing in the **Orchestra** this fall. If it has been a few years since you played in the high school band, you will find several in the **Orchestra** like you. Yes, it will take some work to sharpen your skills again but it will be worth the effort to the church who appreciates the **Orchestra**.
