Lately, I've been socked in by the weather! It all started two weeks ago Monday, April 20. I developed a non specific pain that I finally realized was a kidney stone on Friday, April 24. I started my vacation week going through tests and scans and finally had a procedure to remove the stone last Thursday. Also, during all that, I developed a superficial blood clot in my right thigh area which I had to have tested.</p> <p>I should be clear of the kidney stone problems after another procedure this Thursday. I've now had three kidney stones over the last thirty years and Donna has delivered three babies, so we're even as far as birthing pains go! The blood clot may linger for a while, but the doctors tell me that there's no immediate threat. I'll just work through it as the clot resolves itself.</p> <p>How have you been doing? Believe me that's been the last thing on my mind the last several days because I've felt so bad. But life does go on doesn't it, and I do worry about you all when I'm gone. One wonderful thing did happen while I was off that I did plan on. That's the birth of Rob and Ginny Coffman's baby Robert Maddox this past week. We have been praying for the safe arrival of Maddox for some time. Now along with the Coffmans we are filled with joy, and we look forward to the dedication of these new babies this coming Mother's Day. I hope to be very much better by then. I'll be glad to be back in worship with you.</p> <p style="text-align: right;">Yours in Christ, Bro. Hang in there teachers and students, only a few more weeks of school left! We've got a lot of stuff planned for the remainder of the school year and summer. Here's some of what's on tap.

NOTE: We need adult volunteers/chaperones for all of the events listed below.

Education
Teacher's Meeting - May 24th

The next teacher's meeting has been scheduled for May 24th. I encourage all teachers to attend. Many times numbers don't mean anything. Other times they mean everything. I recently calculated our attendance numbers and found the average attendance for SS last year was 211. So far this year it is 203. What does this mean to you?

Children
End of Year Celebration - May 13th
Holiday World - June 10th
VBS - June 15-19
Centri-Kid - June 29-July 3

I had a very encouraging meeting with the nursery committee this past Sunday. Not only did I get to know some of the members more personally, we also had an opportunity to discuss child safety. The safety of our children should be of utmost important to all of us whether we work directly with them or not. From our meeting came a number of ideas that we could do in order to improve safety in the preschool department. We would also like to hear from you. If you have any suggestions as to how we may be able to improve our ministries please e-mail or call me. We would love for your input.
