To provide this experience of God and a witness of our Lord and Savior Jesus Christ requires the hard work of so many members of the church. Still you may be one of those members who cannot be here in the evenings during VBS week to help out as you'd like. But there is still an important way that you can be a part of our VBS effort. Starting last Saturday many members of the church began volunteering their time to construct the Rome setting for our VBS. This Sunday all the members of the church are invited to come and enjoy a light breakfast before Sunday School in the gym and get a first hand look at the very fine preparation work leading up to the VBS experience for the children. Come see the streets and sights of Rome that the apostle Paul experienced while a prisoner and a witness there.</p> <p>Also be aware that the missions offering taken during VBS this year will go to help support an orphanage in India. You can give us a good start on that offering by giving a thank you gift after you eat breakfast and see the sights of Rome. Through your regular weekly offerings to the church you have insured that the children can have this VBS experience. Now I ask you to come and lead the children in the importance of giving to missions.</p> <p>Lastly, I have to say another word about all your hard work that makes VBS happen. All of you have other work you do to make a living. Yet you prepare every year and then come and participate in VBS. I want to thank you for all this volunteer time over and above your regular work hours. Many ministries of the church simply wouldn't happen if you weren't willing to freely donate your time and efforts in service to the Lord's kingdom. I look forward to seeing you at breakfast this Sunday morning at 9:00 AM.</p> <p style="text-align: right;">In Service of the Children, Bro. <p><i>Dear Kind Members of First Baptist,</i></p> <p><i>I just wanted to thank all of you for the nice meal that you prepared following my Mother's, Billye Dale Seymour, funeral. She meant so much to us, and we just really appreciate the kindness and warmth that you extended to our family in our time of need. It's so comforting to know that there are people out there willing to hold you up when you feel like your world is falling apart. Thank you again for your thoughtfulness and kindness.</i></p> <p><i>My Memaw, Kathleen Seymour, wanted to give a special thank you. She brought up how much she appreciated everything you did at least three times this week. We would like to thank Scott Burress for his inspired music leadership these past few months. His God-given musical talents have truly blessed and motivated everyone in our music areas (and congregation) to go beyond our own individual talents and become a cohesive and vital part of Worship. We will miss his music leadership and wish him all the best.

Thank you Scott. May your light always shine for Jesus.

We had a great time at our lock-in Friday night at Renaissance Fun Center. 36 students and 5 adults attended. Thanks to Terry Bradley, Chris Rogers, Scott Sandidge and Kenley Conner for serving as chaperones and demonstrating some 'old school' go cart driving skills to the students. Unfortunately we 'old school' folks don't recover as quickly as we used to from staying up all night. I hope to get back to normal within a few days.

June 15-19 (Mon-Fri) – VBS
Middle school students (those who have completed grades 6-8) will have their own version of VBS this year. We're calling it XBS (extreme bible school) and they won't want to miss it. We'll get started in the youth area every night at 6:15, but we won't stay there. Every night we'll take a mystery trip to some off-site location to do some pretty off-the-wall stuff. We'll return to church each night by 8:45pm so parents can pick them up. High school students will be helping out with younger kids' VBS.

June 22-27 (Mon-Sat) – Centrifuge / X-Fuge on Mission
This year both our middle school and high school students will be attending camp at Ridgecrest Conference Center in North Carolina. Middle school students will participate in the traditional Centrifuge camp while our high school students will do serve with X-Fuge on Mission. We'll leave at 7am on June 22. Please pray for us.

Upcoming events:
July 16-17 (Thu-Fri)–Cincinnati Reds/King's Island
July 30-31 (Thu-Fri)–Whitewater Rafting Trip

For more information about upcoming events and activities, check out the student page of the church website at fbchodgenville.org.

Children
Sunday Evening Bible Study - 6:00
Holiday World - June 10th
VBS - June 15-19
Centri-Kid - June 29-July 3

Bring your children and join us on Sunday evenings as the children (K-5) study each book of the Bible and it's overall theme as it relates to salvation history. We meet every Sunday night this summer except for June 21st, Father's Day. So far this year we have covered Genesis - 2 Samuel. It has been amazing for me to see how much the children are beginning to pick up from our lessons. It will be interesting to see what they learn once we get out of the narrative writings of Scripture and move into the prophets, but that is at least a few months away. You do not want your children missing this great time filled with fun and excitement. The best part, the parents get to enjoy learning about the Bible as well as they hear from Pastor Mike.

Holiday World is Wednesday. As most of you will be reading this article on Wednesday please take a moment right now and lift up a prayer for those are a part of this event. Thank you.

If you are not ready for VBS by now, then you might want to consider spending some time getting ready. If you are not involved in VBS this year, then let me encourage you to make it a point to be involved in this great ministry next year. It is going to be a great opportunity for us as a church to reach out to those in the community with the gospel of Christ. I encourage you to invite any children you know to attend this extraordinary event. See you in ROME!!
