MIKE'S-SPACE

Most of us believe in God as a person. But do you believe in a personal devil? One who prowls around like a ravenous lion seeking to devour souls? If you can't think of evil in that way, do you still acknowledge some form of evil that tempts you to hurt yourself and others. Even if we can't define evil to our satisfaction, we know it exists.

The part that evil plays in our lives and the various temptations we face as we try to follow Christ are the subject of C.S. Lewis' book "The Screwtape Letters". That's just one of the discipleship classes we'll be offering as we begin our new FBC University this coming Sunday evening.

There's still time to sign up for the marriage enrichment class based upon Dr. Gary Chapman's book "The Marriage You Always Wanted" and the devotional work "The Call to Follow Christ". There are also classes for our children and youth. I hope you found a class that you think you'll like. If not, talk to us about what you might enjoy in the future and we'll try to offer some of those classes in later quarters this year. Even if a class like "The Screwtape Letters" is full as in this quarter, we'll try to repeat some classes.

I also hope that you will join us for some good fellowship, eating, and worship time in the gym area as part of Sunday evening discipleship time. Along the way each quarter, we'll plan some church wide gatherings too. At the end of this quarter on Sunday night June 27 we all will experience the children's musical "Splash Kingdom". We're planning to take a break from classes this summer and then we'll resume FBC University in the fall.

Consider how you can be involved and continue to think about the kinds of help you need to grow in Christ. I pray that a spirit of fellowship and growth spreads through our whole church because of FBC University.

Bro. Mike

Music Notes

This past week was a deep time of remembrance, worship, and adoration of our Lord Jesus Christ. We were once again brought into focus on the love of Christ. He showed an indescribable love for each of us when He willingly laid down His life to pay for our sins. And praise be to God—the body of our Lord Jesus is not lying in a tomb somewhere for us to try to go and visit! *The angel said to the women, "Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; he has risen, just as he said. Come and see the place where he lay."* (Matt. 28:5-6) Jesus is not dead, but is alive forevermore! He defeated sin and the price of sin, which is death, once and for all! Because of this, those of us who place our faith in the Lord Jesus Christ have life eternal! We certainly have cause to celebrate! The Music Ministry family is thankful to have had the opportunity to share the Gospel of Christ with you and our community during Holy Week. May you be richly blessed as you continue to think on the incredible love of Jesus for you, and as you grow in your love for Him!

Annie Armstrong Offering FBC University

The Annie Armstrong Easter Offering is taken each year to support North American missions. People often think of missionaries in third world countries or distant lands, but there are many throughout the US, Canada, and Mexico that need to know the love of Christ as well. Therefore, the NAMB places missionaries on our own soil to reach out to them. This Sunday, April 11, we will take our official AA offering. Our goal is \$4,000. I hope that you will consider your roll in helping us reach and surpass this goal. Be prepared to give sacrificially to the cause of Christ.

Classes for FBCU start this Sunday evening. Join us for dinner at 5:30, followed by a family worship time at 6:00 and classes after that. It is going to be a great time. You will not want to miss this exciting and new discipleship process we are beginning.

Children

Spring Break

The children do not have school this week and by the time you read this, the week will be half over. So how have you spent your spring break so far? I just want to encourage you to make sure that you spend some time together as an entire family. Play a board game, play football in the yard, or study the Bible together. These family times are some of the most important times you can have with your children. Be involved and enjoy the rest of the week.
